Commercial opportunities

Leon works best where professional golf, personality and genuine human connection matter. Opportunities can be shaped around a single engagement, a campaign or a longer-term partnership.

Brand partnerships

Ambassador relationships, campaign content, product integration and authentic brand representation.

Corporate golf

Client entertainment, golf days, playing experiences, Pro-Ams and hosted events.

Coaching and clinics

Playing lessons, group clinics, short-game sessions and accessible professional insight.

Modelling and shoots

Golf, sports and lifestyle campaigns informed by experience with Puma Golf and Manors Golf.

Media and content

Filming, interviews, golf challenges, behind-the-scenes access and social content.

International golf

Destination partnerships, golf-development projects, player mentoring and advisory contributions.

YOUTUBE · LAUNCHING IN 2027

A media project launching in 2027

Leon is developing a professionally produced YouTube series combining golf challenges, coaching, tournament life, travel and destination storytelling. Quarterly location shoots are designed to create a consistent flow of long-form and short-form content while allowing Leon to remain focused on playing golf.

The format creates natural opportunities for:

- Destinations
- Golf courses
- Hotels
- Airlines
- Mobility partners
- Equipment brands
- Commercial guests

Brand experience

Six years of paid modelling and campaign experience with Puma Golf, and currently working with Manors Golf.
